DITRE ITALIA

Designwear

IT - Il design che distingue i prodotti Ditre Italia è frutto di un'osservazione che va all'essenza degli oggetti e ne propone di nuovi, pronti per essere vissuti. Ci piace pensare che chi sceglie Ditre Italia scelga non solo un prodotto esclusivo, ma un modo di intendere il design, e con esso lo spazio abitativo.
Designwear è tutto questo. Un'affinità elettiva.

EN - The design that makes Ditre Italia's products stand out from the rest results from a way of looking at things that cuts through the surface to the essence of objects, suggesting new items. We like to think that those who choose Ditre Italia don't just want an exclusive product but are also looking for a different design concept which - as a result – produces original homes. Designwear is all this. An elective affinity.

DE - Das Design, das die Produkte Ditre Italia von allen anderen unterscheidet, ist das Ergebnis einer aufmerksamen Beobachtung, die auf das Wesen der Objekte eingeht und daraus neue erschafft. Bereit, gelebt zu werden. Uns gefällt die Vorstellung, dass diejenigen, die sich für Ditre Italia entscheiden, nicht nur ein exklusives Produkt wählen, sondern auch die Möglichkeit suchen, das Design und damit den Wohnraum besser verstehen zu können. Designwear ist genau das. Eine Wahlverwandtschaft.

FR - Le design qui distingue les produits Ditre Italia est le fruit d'une observation qui arrive jusqu'à l'essence des objets et qui en propose de nouveaux. Prêts à être vécus. Nous aimons à penser que ceux qui choisissent Ditre Italia, choisissent non seulement un produit unique, mais une façon d'interpréter le design, et par là même, l'espace intérieur. Designwear, c'est tout cela. Une affinité élective.

IT - La seduzione di un arredo, dove ogni elemento dialoga con gli altri, è la stessa che esprime un abito sartoriale: cura del dettaglio, equilibrio, eleganza, esclusività. Così pensiamo le nostre collezioni, così le costruiamo: oltre le tendenze del momento, oltre l'esteriorità. L'innovazione non è mai ostentata, è una vocazione discreta.

EN - The seductiveness of interior décor in which each piece of furniture communicates with the other is the same expressed by a tailor-made garment: care to detail, balance, elegance, exclusivity. That's how we create our collections, that's how we make them: we look beyond passing trends, beyond appearances. Innovation is never blatant: it's a discreet gift.

DE - Die verführerische Kraft eines Einrichtungsentwurfs, wo jedes Element mit den anderen kommuniziert, ist die gleiche, die ein maßgeschneidertes Kleidungsstück ausstrahlt: Liebe zum Detail, Ausgewogenheit, Eleganz, Exklusivität. So erschaffen wir unsere Kollektionen und stellen wir sie her: Über die Trends des Augenblicks hinaus und über reine Äußerlichkeiten hinweg. Innovation ist nämlich nie aufdringlich, sie ist eine diskrete Leidenschaft.

FR - La séduction d'un meuble, où chaque élément dialogue avec les autres, est la même que celle qu'exprime un vêtement fait main : soin du détail, équilibre, élégance, exclusivité. C'est ainsi que nous pensons nos collections, que nous les bâtissons : au-delà des tendances du moment, au-delà de l'aspect extérieur. L'innovation n'est jamais affichée avec ostentation, c'est une vocation discrète.

Timeless elegance

Traditions

IT - L'anima artigianale dei nostri prodotti è legata alla tradizione: un'attitudine che ci accompagna da oltre 40 anni, lungo una storia di esperienza manifatturiera.
Oggi, quando un progetto prende forma, rende visibile un mondo, fatto di scelte accurate, processi pazienti realizzati da mani esperte e tecnologia che rendono seriale ciò che un tempo era artigianale.

EN - The craftsman's soul within our products is linked to tradition: an attitude we've had for more than 40 years in the course of a history made up of manufacturing experience. Nowadays, when a project takes shape, a whole new world emerges consisting of accurate choices, patient processes performed by skilled hands paired with technology that make it possible to mass produce that which used to be handcrafted.

DE - Die handwerkliche Seele unserer Produkte ist eng mit Tradition verbunden: Eine Denkweise, die uns in unserer erfahrungsreichen Fertigungsgeschichte seit über 40 Jahren begleitet. Wenn heute ein Projekt Gestalt annimmt, macht es eine Welt sichtbar, die aus sorgfältigen Entscheidungen, geduldigen, von erfahrenen Händen ausgeführten Arbeitsprozessen und Technologien besteht, die ehemals handwerkliche Gegenstände in eine Serienproduktion verwandeln.

FR -L'âme artisanale de nos produits est liée à la tradition : une attitude qui nous accompagne depuis plus de 40 ans, comme les années de notre expérience manufacturière. Aujourd'hui, lorsqu'un projet prend forme, il donne de la visibilité à un monde fait de choix effectués avec soin, de procédés réalisés patiemment par des mains expertes et de technologies qui transforment ce qui, autrefois, était artisanal en une fabrication en série.

Projectwear

IT - La nostra vocazione non è solo produrre divani. Perché il nostro lavoro si concentra nel trasferire, prima di ogni cosa, un progetto organico di arredo, cioè la creazione di un “interior world” esclusivo. Non la somma di oggetti, per quanto ricercati, ma un insieme armonico, che corrisponda a una personalissima visione della casa, di tutta la casa...

EN - We don't just specialise in making sofas. First and foremost, our work is focused on transmitting an organic interior decor project, i.e. on creating an exclusive interior world. Not just a combination of objects, no matter how refined, but a harmonious whole that reflects a very personal way of viewing the home in its entireness.

DE - Wir fühlen uns aber nicht nur zur Erzeugung von Sofas berufen. Unsere Arbeit konzentriert sich vor allem auf die Weitergabe eines organischen Einrichtungsentwurfs, d. h. auf die Schaffung einer exklusiven “Interior World”. Nicht eine Summe aus Gegenständen, so ausgesucht sie auch sein mögen, sondern ein harmonisches Ganzes, das der ganz persönlichen Vorstellung des Heims, und zwar des ganzen Heims, entspricht.

FR - Notre vocation n'est pas uniquement de fabriquer des canapés. Car notre travail se concentre, avant toute chose, dans le transfert d'un projet organique de meuble, c'est-à-dire la création d'un « Interior world » unique. Non pas une somme d'objets, pour autant qu'ils soient recherchés, mais un ensemble harmonieux qui corresponde à une vision très personnelle de l'espace intérieur, de tout l'espace intérieur.

IT - ...così ogni prodotto è l'avvio di un progetto di più ampio respiro, che unisce colori, memoria, prospettive, oggetti amati, scelte agite con cura, stile, quotidianità. Questo modo di pensare il prodotto si nutre di tutta l'esperienza italiana, del saper fare manifatturiero che ha radici nella nostra storia.

EN - That's how every product becomes the start of a more far-reaching project that unites colours, traditions, perspectives, favourite objects, careful choices, style and everyday life. This product concept is based on every aspect of all-Italian experience including the manufacturing know-how deeply-rooted in our history.

DE - Jedes Produkt ist damit der Beginn eines weitläufigen Projekts, das Farben, Erinnerungen, Perspektiven, geliebte Gegenstände, sorgfältige Entscheidungen, Stil und Alltagsleben verbindet. Diese Denkweise beruht auf der umfassenden italienischen Erfahrung und dem handwerklichen Know-how, das tief in unserer Geschichte verwurzelt ist.

FR - Ainsi chaque produit est le point de départ d'un projet plus vaste, qui allie les couleurs, la mémoire, les perspectives, les objets aimés, les choix effectués avec soin, le style, le quotidien. Cette façon de penser le produit se nourrit de toute l'expérience italienne, du savoir-faire manufacturier qui puise ses racines dans notre histoire.
